Reasons for allowance

1. This communication is in response to applicant's 11/24/2010 amendment in the application of Mistry et al. for the "Multi staged services policing" filed 08/22/2003. This application claims priority from provisional application 60/440,625 filed 01/17/2003. The proposed amendment to the claims and response have been entered and made of record. Claims 3, 6, 9, 13, 18, 20 have been canceled per applicant's request and claims 1, 4-5, 10-12, 14-17, 19, 21-23 have been amended. The claims have been amended to better point out and more distinctly claim subject matter comprising the invention.
2. Claims 1-2, 4-5, 7-8, 10-12, 14-17, 19, 21-24 are allowable as evident by Applicant's amendment (Claims are renumbered as 1-18 respectively).
3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest a multi-staged services policer comprising: one or more processors; a downstream services policer; a first upstream services policer to: receive a traffic unit; analyze said traffic unit; based on said analysis, transmit said traffic unit to said downstream services policer; and receive feedback from said downstream services policer; and a second upstream services policer to transmit traffic units received at said second upstream services policer to said downstream services policer based on an analysis specific to said second upstream services policer, wherein said downstream services policer is configured to afford a higher priority to traffic units received from said second upstream services policer than to traffic units received from said first upstream services policer, as specifically recited in the claims.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
